SUBJECT: ICTR RESOLUTION AND USUN VOTING IN NEW YORK

REF: SECSTATE 171933

¶1. Per instructions (reftel) U.S. joined other SC members in supporting the draft resolution (reftel para 1), adopted (15-0-0) as Security Council resolution 1717 (2006). The resolution was requested by the Tribunal in order to extend the term of office of the Ad Litem judges until the end of ¶2008. This was done to facilitate adherence to the Tribunal's completion strategy. The General Assembly will now be asked to act on the matter.
